

Smartroom Learning Solutions School Bundle *

For a limited time, when you buy 4 sets of **Beyond Question™**, you can either select a 5th set or an LCD projector for **free**. It's a great way for a grade level or a department to introduce interactive teaching in the classroom.

The **Beyond Question** set includes 30 student remotes, an instructor remote, an IR receiver, software CD and a custom case.

The LCD projector is simple to setup, ultra quiet and displays a bright, clear image.
